To % J. HANSEN

Re % Typewriter Brother 500 (5102) Cell

Dear % Hansen,

On 3/3/06 Upon being interviewed by Lt Dunne in C-Quad Program Office, concerning Facts of my ASU placement I was given the Opportunity to see % Micken. 1<sup>st</sup> Floor Tue-Sat Post 2<sup>nd</sup> watch. In which he stated upon me asking him did he mistakenly gave my Typewriter to someone to hold for me. Which he stated who did the inventory which, I stated "you," which he didn't say nothing (two other %'s was present).

So I was hoping if you could briefly investigate it. I would hate to say or think that this is the reason I was mistakenly Accuse for fighting because he misplaced or destroy broke the typewriter.

The Appeal Office has relocated my 602's back in 2002 when I Appeal my property issue which was mail to SATF/SP instead of here when I first had friend other my Radio / Cassette tapes And the Brother 500. I did try to Replace it while on the yard with a newer one by All the legal Work I did on it - which is why my so call friend thought that Specific one wasn't on my property. So they could hold it for me.

But now that I may get transfer to the facility I like (being a level-2). So It's important now to get it because I've often to far behind with my Court issues. I really thought % Micken got it because I had my key on me so no one stolen it, this been heavy on my mind.

Sorry to trouble you please understand

Re: Responses / Reconsideration To process Attach Property issue  
602 since partial Amending ect... ETRON has Recovered to <sup>property</sup>  
I think

Please Take Notice that I've Amended this 602 - Because  
Property Inventory Staff - C/O Hasen being the initial Officer  
that conduct the inventory has agreed to put my ETRON Radio /  
Cassette player with all my property now

But for some Reason my Brother 500 Typewriter is still  
missing which a Builden Floor C/O had to take it out of my  
cell, I thought letting a Friend hold it thinking I was coming  
back, but now hearing that I'm not is being allow to keep it  
(This is a Normal Protocol in C-Quad Floor "Some" C/O). OR  
maybe this was the true Reason why let's say mistaking as a  
fighter because my Typewriter got broken knowing how it was my  
life.

I never knew these Items wasn't Classified to me; because  
I was never Question by Staff the entire time I've been here  
because I've done everything right. Now I'm being told that Here  
R&R never even put my ETRON player on my property when I  
paid two twice for it here. And though I came here with my Brother  
500 Typewriter. At one time it was on my property Card but now  
on Computer it is not.

After the Internal Affair Office sent my letter back here  
And R Green (A) / D. Connor Associate Warden Inmate Services  
made Statement about A IATS Appeal Office proof can be discovery  
that the 2002 GRANTED 602 Property for STAF/SP/CMC-E made R&R  
to give me the typewriter and granted me money of the lost Cassette  
ape after all my complaining back then because a Staff Sign for  
everything and then became missing !!

Again I directly paid for the ETRON directly here after two  
attempt it came directly here to R&R property  
Why now these Item not on my file I don't understand  
OVER

A. EX. 132

which is why staff took them, but I was hoping to get new ones And I truly believe that C/o Hansen was being honest because he could of kept the Radio money ect... Both staff at CSP/STAF AND CMC-E And all inmate knew I had bought this Typewriter for all the legal work submitted since 2000 until 2006 Nov at time on lock down ect...

So I was hoping that this Appeal Office would at least allow this GOR to be process without the order copy inventory because any more delay it may become to last !!! Never Recover

3/4/07

Narrick & Sledge

Amending  
on 3/4/07 I also sent  
to Hansen a letter as I  
rewritten a copy

ONE C/o is putting this on C/o Hanson  
or he did the initial inventory. If not  
in my cell upon C/o Hansen inventory it was  
taking out on C/o Hansen off day and many  
mates on the First Floor Low Side know  
where my Typewriter is if it's not in my  
property now Narrick & Sledge 3/4/07

~~Please~~ Please Take Notice... That when CMC-E Appeal Office Mrs. Vela had Officially Seal Dated the Appeal Form (See 602 cal Date (bottom)) on FEB 13 2007 over one week upon me submitting this 602 on 2/6/07 - GAVE me Solid INSURANCE that this 602 Had been Accepted and it was timely because Mrs Vela had also Attached CDCR Screen Form 695 also ~~due~~ dated 2/13/07 only instructing me to Attach the legible Property Inventory Form (See Attachment) - More so confirmed me I'd submitted a appropriately (timely 602) to be processed.

Due to me believing the Above Official Acts, has now <sup>months</sup> later impaired me for explanation - For I relied on other staff/officer, make it impossible to relocate these staff for documents - To their formal Justification.

1. My Counselor never found the time to make the Copy of me, being this document being legal material and me being ~~I was~~ <sup>I was</sup> SU/SHU housing to not personal get the copy made

2. For whatever reason this Appeal Office decision to deprive me Informal level Review, so that the Assign Inventoried could of Officially dictate on the 602 his reason for not inventorying ~~now~~ the Typewriter, Money and Tape/Radio player was that the <sup>was</sup> yard was on complete lock-down which was why it <sup>took</sup> ~~was~~ weeks before even Acknowledged about my personal property (mental distress) & his Reasons to promise me later he would investigate and correct & was never allowed the opportunity ~~and~~ in the informal level ~~that~~ ~~didn't read other documents~~ to state what he told me informally.

3 Now that he corrected the Money and Tape/Radio player and didn't Official Wrote A Second Inventory Form I'm unauthorized to demand answers - But I can produce evidence that my Tape/Radio ~~STRON~~ WASN'T on the initial Inventory Form, I signed - But my new House CTF RTR has verified they given me this ITEM recently All to support when the Appeal Office Accepted the

 602, For the return of my Typewriter and documents  
 because CDCR staff only location part of the whole and

## Re: Response To Director's Level Review instruction

Please Take Notice Still after severe due diligence the Director level has once again informed me that I had to obtain Facility 2nd Level Review to complete my 602 Exhaustation Requirement - Herefor upon the Response you currently provide would be my Exhaustation Requirement after great due diligence.

Again Once CMC-E Appeal Office had accepted this 602 AS timely filed with Screening order on Feb 13, 2007 informing me to Attach legible copies of all document Relative to ownership and loss/destruction of the property impaired me severely A- I was in ASU/SHU Being denied by the Staff of obtaining my the legible copies of ownership (Refer to CTF-S-09-01731 which afterword GRANTED) For justification of any time delay even though you Accepted the 602. B- Staff has still been negligence to impartin investigate to see I had initially refused to sign the property form for these Items not being state on the property which the signed date to be a conflict of interest because I was lied to that the other missing property would be investigate and proved my would be returned which was corruption and a cover-up because only the Radio ETRON WAS illegal added with no paperwork that is supported had official not been prejudice to see that the property inventory don't stipulated at all my ETRON, but now upon transferred it in my possession how By CTF R+R Official and I have the proof all in support that dishonest and denied the process can be supported not under a impartial official of ~~error~~ staff error cover-up fact finding if I was only impartial interview or/and my claims was impartial reviewed to support I was timely and entire to the process. I was in hardship condition in ASU/SHU desire to commit suicide for Staff deliberately lying on me and no Just investigation not given any of my property And then the CMC-E Appeal Office Acceptance having me get copies that took time - And then I honestly say so what if your fault not our more Derrick Stock

RE: IAB# 0703648      PROPERTY

Mr. SLEDGE:

The Inmate Appeals Branch, California Department of Corrections and Rehabilitation (CDCR) acts for the Director, Division of Adult Institutions, at the third level of appeal. The Branch examines and responds to inmate and parolee appeals that are submitted on a CDC Form 602, Inmate/Parolee Appeal Form, after the institution or parole region has responded at the Second Level of Appeal.

Institution and parole staff are available to assist you in obtaining additional copies of forms and documents required to submit an appeal. The inmate library offers resources and assistance to obtain general information regarding regulations, procedures, policies, and government agency addresses. Additionally, your assigned Counselor or Parole Agent, or the Appeals Coordinator can answer any questions you may have regarding the appeals process. The Inmate Appeals Branch appreciates your responsible use of the appeal system to address your grievance.

The Inmate Appeals Branch has received an appeal from you and has determined that it does not comply with the appeal procedures established in California Code of Regulations (CCR) Title 15, Article 8, and is being screened-out and returned to you pursuant to CCR 3084.3 for the following reason(s):

Your appeal was rejected, withdrawn or cancelled. If you disagree with that decision, contact the Appeals Coordinator. You must comply with instructions from that office.

help me cover-up from CMC-E ASU/SHU negligence, effortless concerns for I/m Legal Affairs in order to correspond, Access to the Court sufficiently and appropriately for every motion and petition State/Federal Even though I was initially rejected by the Court (See Exhibit-A to notified the Court of my initial ASU/SHU placement) I still kept trying in my own effort thought confined under cruel restriction that sometimes I just want to give-up and blame this facility. I was presently litigating courts issues with due process stage for Appeals ect... such as to stop both IRS and Dept. of Education from still holding me accountable for late payments principle interest penalties that are still being accumulating penalties cost daily though I'm in prisonment. (See Refer in support CMC-E-07-00354). Also I was litigating to seal my Juvenile Records which has been misinterpret prejudicial used against me especially by CDCR / CMC-E labelling (See Exhibit-B which next step was to Appeal the next level Att'n: That CMC-E Appeal Office said I could Appeal it until it happen well it now 3/20/07 the 60 day Appeal ~~deadline~~ deadline I've even wait to the last day in support to show the Court how this Appeal Office is quick to reject I'm on delays but have deliberately indifference for their delays). Also I was litigating my current/present 3-Strike conviction (See Exhibit-C which is the Cover-sheet of the Central District denial) Again which the Appeal Office reject months ago, Also being denied <sup>deprived</sup> other legal documents/material (See Refer: CMC-E-07-00518); has also play a part to cause great to have now pressure and heavy burden which is severely stressful of still trying to litigate upon such Court delay even if I was a Real Attorney with a Computer is worrying me that my Chances for freedom may became impaired at the hand of CMC-E for I've been litigating over 8yrs. studying vote taking ect... I have been allowed only twice to attend the Law library once in January and once in March each for 1:30 at most. And even though CMC-E ~~and~~ ASU/SHU has a paging Law library procedure, but without legal assistance I had a difficult time requesting the appropriate book to rewrite the correct form to motion/petition forms authority ect... Such as Appeal and writ Federal Habeas corpus Form Instruction ect... (See Exhibit-D pages 1-2). That is not allow in CMC-E ASU/SHU.

It has also been difficult or denied additional writing paper or legal outside legal aid or to exchange the pen upon the ink set-up. When I inquired to the normal 2<sup>nd</sup> watch CCCMS/EOP officers he said he never heard of such thing. Though I had to trade food item for extra paper these such officer has no consideration

Due to due diligence of trying to have this and other 602  
process Review this will be my last Facility Attempt under  
Administration Exhaustion Requirement. And Mental Abuse  
Cause by CTF Appeal Office.

This is not multiple issue, because I don't know where my  
property was destroyed, lost or misplaced either when I was  
dishonest forced to mail Item home or forced to throw Item AWAYS  
to ~~verify~~ verify the Item CMC-E Staff failed to inventory and  
this Facility failed to notice or be concern that Item was in my  
property not on the inventory Receipt in support of all my facts  
which would be difficult to separate since it all occurred upon being  
process into this facility and it being the last procedure that I'm appeal  
All other is supportive facts to my main Argument

Therefore due to the trickery how this Appeal office <sup>wants</sup> ~~would~~ me to  
separate this issue require me to have Staff Assistance along with other  
mental illness / abuse. To Allow me to obtain Fair/Equal Due Process Right.

And you ~~can~~ are guessing and not investigatory to show your pure  
<sup>previous filed</sup> prejudice missing property CMC 07-518 has nothing to do with CTF  
misconduct but misconduct to have me destroy / ~~and~~ conceal evidence  
that pending ~~un~~presently under Internal Affairs investigation concerning this

When in fact this was my first ever Incident Report; that was support by other Staff reports that the White I/m's had only group up a few time which Staff made them ungather (8th Amendment Violation) for Staff failure to immediately intervene a constitutional duty to protect other prisoner from violence. For them to deliberately disregard excessive risk from occurring watching the Black inmate become attack first, for which this ICC Hearing<sup>still</sup> imposed such SHU punishment without adequately ensuring received fair due process (for which I had priorly filed CDC-602 CMC-E-07-00220; CMC-E I/m IE Report that was passed back and forth from I/m Appeal Office Petitioner from 1/12/07 to 2/28/07 before office reject it AND CMC-E-07-00398) Not to exclude the many of Legal Aid letter I sent such to (Both Internal Affairs Office Both Inspector General Office and many others) All of which support I obtain constitutional Violation for this Fundamental miscarriage of justice. IN which this ICC acted with deliberate and callous indifference to continue to have me suffer even more duration of cruel and unusual punishment on insufficient evidence AND partial, inadequate disciplinary hearing deprived of minimum IE, that this ICC WAS NEVER CONCERN ABOUT misuse of power under Color of State Law to have judgment ON A I/m me that has damaged me physically emotionally AND mental Abuse there WAS nothing in Incident Investigation Report that support me to be relate or Abel to this one BLK. I/m that cause this incident to initiate, Contrarily it AS Report of these two being involved <sup>each</sup> on other <sup>for</sup> violence to cause exposure to constant threat of violence to occur being they was white AND Black with a History of prior such racial violence to entrap UNRACIAL inmate into this. And in my Case, Honestly I AS never fighting I/m Lutz whom had been Pepper Strayed 2x different % <sup>being</sup> reported actively of uncontrol violence AND not wanting to stop fighting. But I'd legally, qualified for every Mitigation factor (but CONTRARILY given only one) UNDER Sect 3341.5 (B)(10)(A)-(5) AND NO AGGRAVATING FACTORS.

ATTN The ICC 1289 names ARE different from their true identity I believe because the young <sup>was</sup> ~~psych~~-Tech <sup>was</sup> young AND had Bracklet. For not participating with the ICC Chairman CDA (A) D. Carey Joking (in a blackmail way) about Valentine's Day when my SHU-Team WAS over what will I be doing, "so what ARE you going to be doing ON this Valentine's Day - AS preferring to me I/m Sledge but having to force himself across a table AS really to be talking to this young psych-Tech <sup>lady</sup> (I thought Mrs Jordan) but the ~~ICC~~ 1289 States T. Ross, (that's now being newly discovered) in the true Official my 1289 isn't the true persons). For not responding for the instead I hold to be process to the end AS guilty, when in honesty I am completely innocence AND now this professionally D. Carey CDA (A) using me for A Valentine Day enquiry really meant for this lady being he also forgetting the true way of Valentines made me not to respond immediately for being falsely accused legally found Guilty serving severely hardship ASU/now SHU punishment being deprived any legal pursuit that kept me alive ~~pleading~~ and focus. AND a perfect Record
